Application to Serve as a CWPN Area Representative

Thank you for your interest in becoming a CWPN Area Rep! Upon receipt of this document, your application will be reviewed and you will be contacted by a CWPN Board Member for an interview. We are excited about this opportunity for our members to experience a leadership role in the context of the CWPN community.

A CWPN Area Representative is responsible for holding meetings in their area. Events should be open to all Pagans, not just CWPN members and held in a public place. If there is a fee, members should receive a discounted price. Representatives need to make information about the CWPN, how to join the CWPN and general subjects of Wicca and Paganism available at the meetings. Representatives are also responsible for submitting reports to the Board of Directors at the regular scheduled meetings. If absent, you will need to submit the report to the Vice President or Secretary prior to the meeting.
